

PEDAL INSTEAD

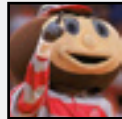

At Buckeye Football we'll park bikes at two Pedal Instead parking corrals, just **steps from the stadium** at Woody Hayes and the bike path. Thousands of people will 'pedal instead' of driving to avoid game-day traffic this season! And we're offering University-Area businesses exclusive **early-bird ad rates**, while space permits, to help you reach all the fans. Contact us now to get in on the deals!
